Becky's bonny botty beckons

The England cricket side has recently seen more changes than a Belgian pate taster's underwear. Last week, the call for help came through to the palatial Club HQ from the TCCB: they were begging for players from the legendary Club XI to fill in on this winter's West Indies tour. Being a patriotic bunch, we were happy to help. Though the full team won't be unveiled for some weeks yet, we can give you this sneak preview of some key player selections for the Test side.

1 & 2: Dominant Dowse. Even on her own, Dowse makes a formidable opening pair. Although her massive bosom makes her vulnerable to tbw (tit before wicket), her chilling war cry of *"Fwaa, knoberama"* strikes fear into the fastest attack. Average: 69.

3: Ian "Gillan" Midson: While very attached to his massive bat, Midson is generally thought better in the field - Reading or Castle Donington, usually. Once created a fashion sensation at silly mid-on with his Megadeath t-shirt.

5. Rod "Elton" Edwards. Not so much middle order as short order, Elton John lookalike Edwards (height 4 foot ten inches) has little experience at defending one

Christine's a site for sore eyes

Leggy Lori's lingerie loopy!

Iced lolly dolly Sara's nipple tickle

stump, let alone three. Believes cricket is a small, chirruping insect.

7: Rob "Submissive" Swift. A full all-rounder, but only in the sense of being rather fat. His bumbling gait and slow, neanderthal speech belie the fact that his parents made up his surname as a cruel joke. A medium-pace bowler, he has no maidens to his credit.

However, Viv Richards will breathe a sigh of relief when he hears that Editor Bleach has once again been overlooked by the TCCB. This towering all-rounder, a powerful bat and deadly left-hand spin bowler, has been ruled out by selectors due to "a repulsive-looking love bite on the side of his neck". Bleach commented: "I was pounding away at the crease and forgot to keep my guard up. There was a bodyline attack, one sneaked through and I think it may have marked me for life. Still, that's cricket. Or rather it wasn't." - *Ted Dexter* ♣

the girl you've asked to see

Sultry Jaqueline confessed that she loves to drop her knickers when she appeared in the centre of Vol 18 No 9 - and there were more than a few of you out there who'd volunteer to do it for her! We'd like to give you all a chance, so without her underkecks she's back again, for the likes of Ian of Grimsby, Phil of Coulsdon, and Jared of Chalk Farm who'd love to "get those hot panties off". Well, wouldn't we all?♣

Raving About Shaving

I am a regular reader of Club because my boss (I'm a secretary) takes it. I appreciate the sexy stories and letters but I also enjoy looking at the pictures of naked and nearly naked girls. It's not that I feel a lesbian attraction for them, I just find sexy people in sexy and abandoned poses appealing, and I also enjoy thinking of the effect of the sight of those bare ladies on all your male readers!

Recently I've been fascinated by the number of your models who have shaved their pussies completely or partially. I personally think that certain girls look very attractive with a shaven puss, and the ones you have featured prove that. I'm sure more of us would do it if it wasn't so difficult and time consuming (and itchy!). What slightly puzzles me, though, is why do most of your models who shave only do the lips of their pussies and leave a silly little tuft in front?

After undergoing the difficult and delicate (I speak from experience) task of shaving along the sides, why spoil the effect by leaving the curls in front? Perhaps one of your models can explain this in a future issue. I can only assume they do it to model in skimpy briefs or bikinis without any hair peeping out.

I am a redhead with quite a bushy minge, which would overrun half my tummy if I let it, so I've been trimming and pruning it since I was 16. Nowadays I use one of those dinky little shavers that you can use anywhere. It's so dinky that it will search out all my little curls, and so when I occasionally feel like going all the way it leaves me as smooth as a baby's bottom without making me sore. And I must say I think I look quite sweet!

In Vol 18 No 4 you showed several shaven girls and *promised* one of your letter writers: "We'll be showing as many shaven maidens as we possibly can!" So I was a bit disappointed that in Vol 18 No 5 you insisted on proving that all the blondes were *real* blondes! However, I was glad to see that the next few issues were back to normal.

I think it would be nice to have one or two shaven pussies in every issue; after all, variety's the spice of life and whatever your tastes, who could resist Jacqui in Vol 18 No 4? – *Jackie, Warwicks*

Prick Tease Please

I've always been turned on by the sight of women in black gear, whether it's just an evening dress, swimsuit, underwear or leather and PVC. Not that I'm into dominance or anything like that – but a girl in black thigh boots never fails to give me a raging hard-on.

When my girlfriend found out about my preferences, she sent off for some leather gear without my knowing, and when I called round for her one night, thinking we were going to the pub, she let me in in her dressing gown, saying she still wasn't ready.

She disappeared upstairs to her bedroom and ten minutes later called me up. When I went into her room, she left me speechless, with a bulge in my trousers that did all the talking. She was wearing black thigh boots with high heels, a tight lace-up waspie of black leather, a little

TOP TITS

Strange things have been happening at my house in Areola Avenue and I'm convinced it's the spectre of that scoundrel Gary Garbonza haunting me. Female guests said they felt ghostly fingers fondling their boobs, jellies wobbled strangely and something was definitely going hump in the night. Heavenly breasts must lack the substance to satisfy Garbonza's wandering hands. So before he started flinging my collection of flesh-coloured tit mugs at the walls I called in the Breast Busters.

At midnight the team entered my house and, fully protected in rubber bodysuits daubed with slippery grope-proof gunge, the three large-breasted beauties followed a chuckling noise to the bedroom. To their horror the fearless Breast Busters found the glowing figure of the ghostly Garbonza tearing through a chest full of assorted bras and basques (all needed for important boob research, you understand).

Quickly the tit-ful trio surrounded him, thrusting out their magnificent mambas. The mouth-watering sight sent Garbonza into a frenzy, clutching for flesh, and allowing the girls time to aim their smegma guns at the groping ghoul and send him tumbling into a specially prepared bucket of tits. "You haven't seen the last of me," squealed Garbonza, pulling his thumb from his mouth. Suddenly the Breast Busters' boobs sprang out inexplicably from their rubber bras . . . –*George Breast*♣

Queens of Cream

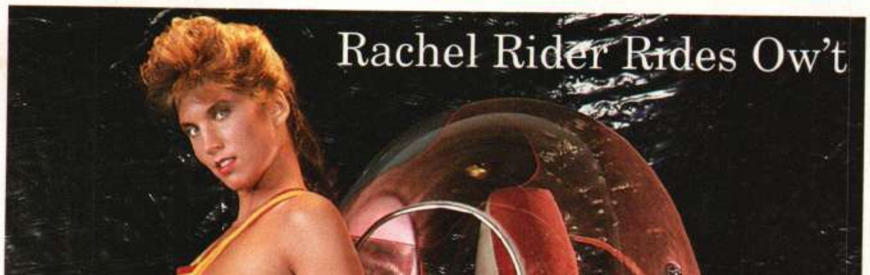
I'm writing to congratulate you on your *Porn Princess* feature. Whoever thought that up should be given a pay rise.

I have seen both Ginger Lynn and Barbara Dare in various films over the years and the acts they perform leave *very* little to the imagination.

I would also like to know if any of the following will be appearing in future issues: Amber Lynn, Danielle, Erica Boyer, Traci Lords, Seka, and Serena. I was going to ask for Jamie Summers but then she appeared in Vol 18 No 10. I haven't been the same since! – *Chris, London*

We'll certainly try to, Chris – and if any other readers have ideas of which porn queens they'd like to see featured, then we want them!

Rachel Rider Rides Ow't



After rolling up in some of the coolest cars ever to touch tarmac we were surprised to see Miss Rider rip into the Club HQ in a motorised bath tub. We wondered if it was a prototype Twyford two-seater.**

"Don't be such a dumbass," screeched Rachel, as a bronzed breast fell from her vest. "It's not what you ride but where you ride it! This little highway hogger is the incredible Crater Ranger, more at home on the surface of the moon than on the B-roads of Britain. I'm sick of being nicked for being drunk and dishevelled in the fast lane of life so I'm off into space for some extra-terrestrial lunar-cy."

And with one more flash of her firm, fleshy thighs Rachel was gone. Will she ever return? Will she ever regain her street cred? Would you buy a set of prophylactic remoulds off this woman? Find out next month! ♣

“Let's be honest here,” confesses our naughty Cockney Lori, “white stockings really give me the horn!” Looking at her flaunting herself in them, we can see why.

“I reckon my legs are my best feature,” continues the 19-year-

old from Canning Town, "so whenever I get the chance to show them off, I do. And I think these white lacy stockings really do the business. When I look at myself in the mirror when I'm wearing them, I get some really naughty thoughts. My mum would be shocked!" So we're showing a good deal of those tasty pins here, not to mention the boobs, the bum . . . ♣

Clearing out my attic I came across a few items of interest to all you rear-end enthusiasts. Under a copy of the 1957 *Boy's Own Bottom Book* I found my extensive collection of ass rubbings (just like brass rubbings but more fun), including a much sought after print of Dominant Dowse's bum. The original hangs in the headquarters of the Bottom Rubbing Association (misleadingly known as B.R.A. for short).

Moving my copy of the twenty Christmas floor-scorchers album, *Turn The Other Cheek*, featuring all the biggest arseholes imaginable, I uncovered a bundle of seatless jeans. These essential fashion items are remnants of my days as owner of a chain o Bot Shop boutiques

which failed due to an unusually cold summer, causing the bottom to fall out of the exotic trouser market.

But most interesting of all was this little picture, of the sort of pert bottom that would make a great subject for your first ass rubbing and would undoubtedly look even better in a pair of my cut price seatless Levi's. Any takers?! – *Billy Buttock*♣

filo sex

Fluff

The powers of Filosex are limitless, as we found out from CJ of Merseyside. "When I saw people wandering around with personal filing systems spilling out from their Gucci briefcases I thought they were a load of tossers. I vowed I would never get one myself.

"But now my life has changed due to Filosex. Just one glimpse of these great girls in all their naked glory and I knew I had to have a Filofax of my own. Now I can appreciate the quivering breasts and taut bums in all their leather bound glory. All I want to know now is what Filofaxes were for *before* Filosex!"

So there you have it. Once more Filosex brings bottoms and boobs to a needy public. They're not called personal *organ*isers for nothing, you know. We've got it sussed.♣

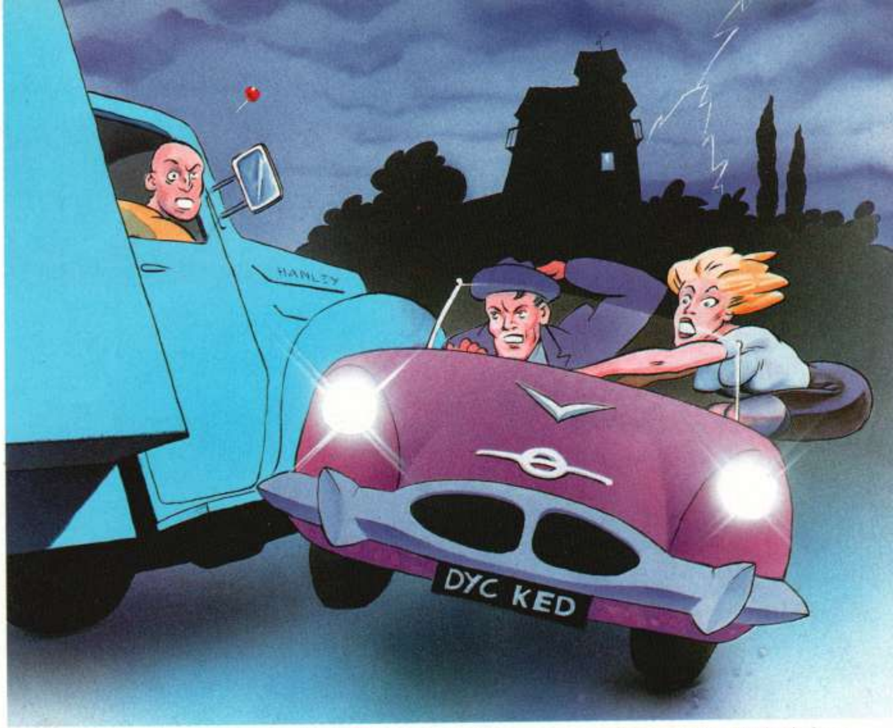
DICK!

The plot sickens in Part Two of the Queen Bee Caper, as Richard Slick prepares to get into her honey pot – and come out alive!



The story so far: Lunchiano Fattbotti, the world's biggest opera singer, is missing, along with a number of other celebrity slackguts. Hired by Lucille Scratchensqueak to find Fattbotti, ace private eye Richard Slick puts two and two together and makes twotwo, which can only mean one thing – notorious nymphomaniac and criminal mastermind the Queen Bee must be behind the lardtubs' disappearance . . .

Mrs Scratchensqueak and I raced across the car park.

"We'd better take your auto," I snapped. "My ex-wife's got mine bugged."

"Why?" Lucille squealed. "Does she suspect you're having an affair?"

"No. She just knows I'm afraid of beetles."

My ex-wife, Sylvia Ditten, was nastier than a hyena with haemorrhoids. I don't know how she got that way. When I met her she was sweet and innocent. On our first date I asked her how she felt about sex. She said she liked it just as much as any other number, but five was her favourite.

Sylvia! There's something about a warm Californian night that always reminds me of her. Maybe it's the sensual odour of the Ponderosa Pines, or perhaps it's because it's so dark you can't see the shit you're about to walk into.

Lucille's car was a Swedish model, a Vulva. By the way it was glistening I could tell she took good care of it. She opened it up and I slid inside. As I did she cast a hot look at my groin. Luckily I was wearing a pair of mirrored Y-fronts. The look reflected up off them and burnt a hole in the car roof.

As Lucille nosed the Vulva out into the traffic I explained the gorgeously formed criminal superbrain's evil plot.

"The Queen Bee's got an insatiable appetite for sex. Calling her a nymphomaniac is like calling the A-bomb a firecracker. She needs to fuck for at least twelve hours every day or she goes insane with frustration."

Lucille Scratchensqueak moaned softly. I looked across at her. She was drooling all over the steering wheel.

"That's why she only kidnaps tubby guys," I continued. "The body can turn all that extra fat they're carrying into energy. After a few hours with the Queen Bee a normal sized guy would die of malnutrition. A fat guy can keep going longer. Though the chances are that by the time she's finished with him he'll be in such a state that next to him a knitting needle'll look like a Russian weightlifter."

"She'll be disappointed by Lunchiano," Lucille groaned. "The only thing *he*'s got an insatiable appetite for is spaghetti."

"The Queen Bee's used to that," I snapped. "That's why she developed the wonder-drug Erextasy. One shot of that stuff and Lunchiano will be packing a rod a vulture could perch on. And the drug's got a nasty side-effect that'll ensure he complies with the Queen Bee's every demand."

"What's that?" Lucille whimpered.

"If you don't have sex within five minutes of taking it your bollocks explode."

We drove on into the Hollywood hills. As we rounded a bend I could see, up ahead of us between the twin domes of Raquel Welch's mansion, the home of the Queen Bee.

Suddenly a massive-wheeled vehicle loomed up ahead of us. Lucille slammed on the brakes. We screeched to a halt just inches from it. In the darkness I thought it was a beer truck. But then I heard a familiar voice.

"Hey, Ricky baby. Thought for a moment there we were heading for a ten-four traffic violation ."

It was Frank Rockjakoside, the TV detective. He was fat, bald and confined to a wheelchair. He sucked lollipops, had one eye permanently closed and lived in a caravan with his father. He was every detective cliché rolled into one – except that he was dumb, real dumb. Frank Rockjakoside was 54 years old with the mental age of a chrysalis. He had about as much dress sense as one too. Tonight he was wearing a dirty old mac and a hat made out of two Chinese lantern covers.

"Rockjakoside," I snapped, "take those fuckin' lamp fittings off your head."

"No dice, Ricky, my man," Rockjakoside barked. "I always wear a pair of shades when I'm on a stake-out."

At that precise moment I needed Rockjakoside like a centipede needs athlete's foot.

"Ricardo, baby," Rockjakoside rapped. "How come you ain't in your own car?"

"My car's bugged."

"You mean it's under surveillance?"

"No. It just gets in a bad mood in hot weather." And it wasn't the only one. "What the fuck are you doing here?"

Rockjakoside pointed towards the Queen Bee's mansion. "I'm keeping an eye on that place."

I looked across at the house. I've been a gumshoe for nearly 20 years. I've seen a lot of bad things: murder, manslaughter, suicide and a pigeon-fancier's duvet cover. But the thought that somewhere in that house an innocent man was being screwed senseless by a beautiful woman sent a shiver down even my spine. I had to rescue Lunchiano. Time was running out . . .

Will Slick get there in time? Will Fattbotti's waistline last out? Or will the Queen Bee's cataclysmic climax bring the house down? Find out next month. ♣

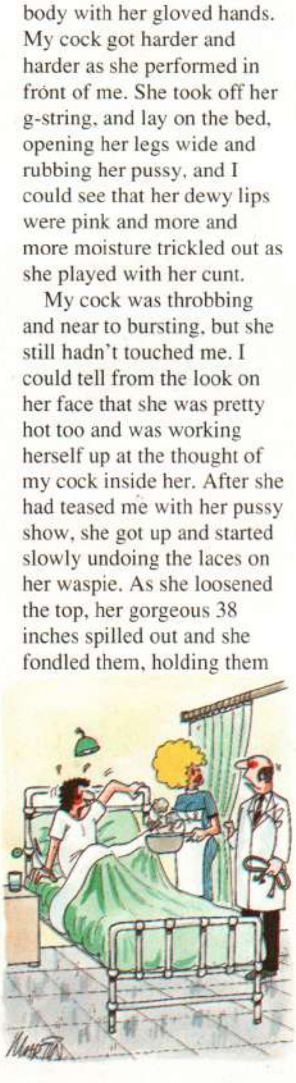
leather g-string and long black gloves. She posed in front of me provocatively.

"Get undressed," she ordered me, "but you're not to play with yourself, or touch me – not yet!" I stripped off at once and stood in front of her, my cock bobbing with excitement. "Let's see how much that big cock of yours can stand," she said, and started stroking her body with her gloved hands. My cock got harder and harder as she performed in front of me. She took off her g-string, and lay on the bed, opening her legs wide and rubbing her pussy, and I could see that her dewy lips were pink and more and more moisture trickled out as she played with her cunt.

My cock was throbbing and near to bursting, but she still hadn't touched me. I could tell from the look on her face that she was pretty hot too and was working herself up at the thought of my cock inside her. After she had teased me with her pussy show, she got up and started slowly undoing the laces on her waspie. As she loosened the top, her gorgeous 38 inches spilled out and she fondled them, holding them just in front of my aching cock, but still not relieving me with a touch. Then she took the leather thong that laced the waspie completely out of the holes. I couldn't understand what she was doing, but then she took the thong and tied it with a slip knot around my rigid prick, a little way below the ridge of my knob-end. Then, standing in front of me, she started pulling up and down on the thong – she was still not touching me, but it felt incredible. I could see her pussy-juice running down her thighs, down to her boots, and I was mesmerized by her gloved hands pulling at my tool with the sensuous leather thong.



No, no, Nurse Cuvitt! I said, "prick his boil!" . . .

I was already near to bursting, so it didn't take many pulls on the thong to send the spunk flying in several jets out of my cock, splashing against her body directly in front of me.

I could see by now that she was really aroused. Even though I had just come, I pushed her on to the bed and, taking the thong off my semi-hard dick, rammed myself into her sopping cunt. She started jerking her hips immediately, urging me to fuck her. She still had her boots on and her gloves, though the waspie was completely open at the front, allowing me to bury my face in her hot tits. It was so stimulating, my cock didn't lose its hard-on – which had never happened to me before. We fucked like mad and she came again and again.

I don't know where she dreamed up this fantastic way of wanking me. Not only was it sensational, it also had the effect of making us fuck harder than ever. My girlfriend has discovered that

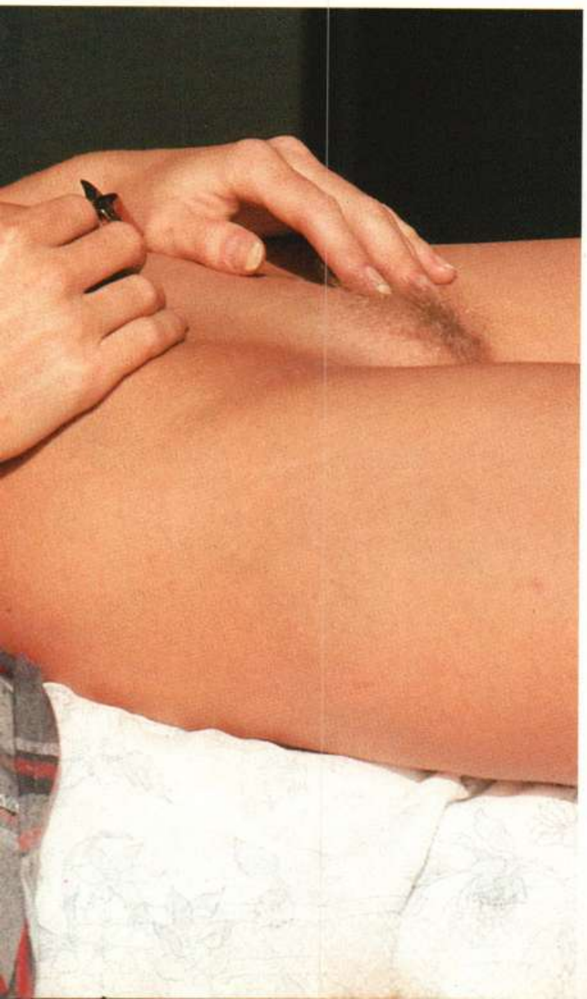
Sexy Suzanne confesses she has modelled nude before. "I did a degree in Fashion, but at the end of year show I had very little to exhibit. I decided to model my saucy briefs myself to spice things up. On the catwalk I didn't have time to go backstage, so I slipped off my knickers and changed into my next pair. It was very erotic having all those eyes on my pussy! ♣



GRIN & BARE IT!

You can't say that Club's not there when it matters. Despite the scorching heat, the shortage of alcohol and the fact that the air fare cost a bleeding fortune, last month we were once again to be found frolicking at Dick Drost's Naked City complex in California for

SON OF BAD JOKE

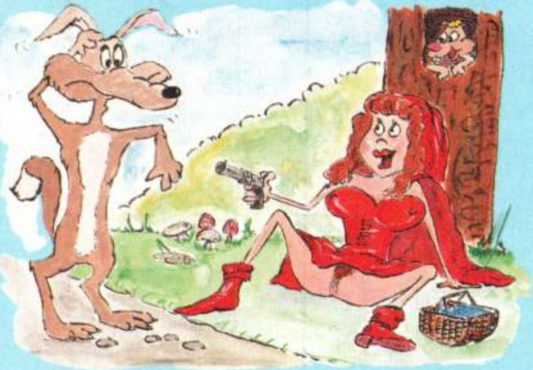
What did the elephant say to the naked man?

"How do you breathe through that thing?"

The routine practice of circumcision was part of a certain doctor's job, and he found himself reluctant to throw the foreskins away after the operation. So he saved them all up in a jar of formaldehyde. Many years went by, and the time came for the doctor to retire from practice. When cleaning out his office he came across the jar, which by this time contained hundreds of foreskins. It seemed a pity to throw them out after all this time, so, certain that they could be put to some use, he took them down to the tailor around the corner and asked that he make something with them.

"No problem," said the tailor. "Come back in a week."

A week later the tailor proudly presented the doctor with a wallet. "Now wait just a minute!" protested the doctor. "There were literally hundreds of foreskins in that jar, and all I've got to show for it is a measly *wallet*?"



"Relax," said the tailor. "You rub it, and it turns into a briefcase."

A guy was sitting having a few at his local when he observed a very lovely young woman sitting only a few stools down. He moved over and proceeded to engage her in general conversation, finally getting up his courage to ask her out to the pictures.

She got up and punched him so hard he landed on his arse on the floor. "Shit," he said, picking himself up, "I suppose a blow-job is out of the question, then?"

Preparing to walk through the dangerous woods to see her grandmother, Little Red Riding Hood puts her father's gun in her basket.

On the way, she is stopped by the Big Bad Wolf.

"Little Red Riding Hood, I'm going to fuck you," growls the wolf. Drawing her gun Little Red Riding Hood declares, "Oh, no, you're not. You're going to eat me, just like the story says."♣

the final of the annual Miss Nude World contest, mingling with bevies of luscious girls with absolutely no togs on. And we don't need to tell you what *that* was like because we've got the photographic evidence right here.

As if that wasn't enough, the winner was a young lady called Becky, who we featured way back in Vol 17 No 1's centrefold. Apparently Becky was so excited by stripping off for you lot that she changed her name to Tiffany Storm, and now makes rather saucy porn films. We warned you she was a dirty girl . . . ♣

TAPED!

*When **Allan Bryce** retires, we'll have a whip round for him. He can't wait – which is why his columns get worse every month. All this wrist-wrangling has addled his brain. Now read on . . .(What a crap intro – Ed.)*

We all like a bit of dominance now and then – that's why we elected Mrs Thatcher. At Raymond Towers we have our own Mrs T in the shape of Clare "Dominant" Dowse, the whip-wielding Assistant Ed who always seems to wear dresses that bring out the bust in her. But she's a nice girl really. In fact, I'll never forget our first meeting. I asked: "Do you know the difference between a Big Mac and a blow-job?" "No," she replied. "Great," I said. "Let's have lunch!" *(Don't be bloody ridiculous, Bryce. I'll see you in my office. – Dominant Dowse.)*

The reason that the Dominant one sprang to mind this month is: a) because if I don't get this column finished on time, it's turbo-enema time again; and b) because the first tape to drop through my letterbox concerns the adventures of the aptly-named **Samantha Spade**, a leather-clad half-caste who's so butch she makes Mike Tyson look like a pansy. "I'm here to make all men suffer," she threatens, lashing away with her Indiana Jones bullwhip. Then just to prove she was joking she whips her knickers off and starts exploring the pleasures of her own body.

The character of Sam Spade was of course immortalised by Humphrey Bogart in the unforgettable murder mystery *Who Pushed Granny While She Was Shaving?* (or was it *The Maltese Falcon?* – I can never remember . . .) Well, Bogie might have been a fine performer, but let's face it, he had nothing on his successor in the big tits department. This new Sam (who is played by a young lady called Sharmaine) is definitely the stuff that wet dreams are made of, even if her acting ability ranks somewhere alongside that exhibited by the cast of *Prisoner Cell Block H.*

Moving on to big budget American blue we come to **W-Pink TV Part II**, a catchy title for a really raunchy 18R rated production starring Jamie Gillis and the gorgeous Amber Lynn as a pair of unscrupulous rogues who are plotting to bring about the downfall of the notorious erotic TV station of the title. Aware of this, X-ecutive producer Ron Jeremy sends for super-agent Scorpio to stand guard. But after being seduced by Amber, Scorpio scampers, leaving the station's safekeeping in the two left hands of Jeremy's bone-headed nephew (Don Hart), who doesn't know his rear end from a hole in the ground.

BACK AND HOTTER THAN EVER!
A Full-Length Feature On Video
W-PINK TV
PART II
R18

In between all these slapstick-and-tickle antics we get to witness some of W-Pink's highly erotic line-up – it makes Channel 4 look a bit sick, I can tell you. I mean, who wants to watch subtitled French films just for a bit of tit in the fifth reel when you can see Bunny Bleu getting shafted by three fellas at once while simultaneously offering uninhibited advice to the lovelorn? I'm finished with Clare Rayner after this.

Still thinking pink, we move closer to home with **Housewife Special Number 7**, another title that kind of stays with you (a bit like a garlic supper). It's home-grown kitchen crumpet time again, with a motley selection of ladies who obviously get their underwear from M&S and move with all the style and grace of a pregnant Sumo wrestler. Culled from tapes submitted by hopeful husbands and boyfriends, this lot has a cinema-vérité edge in the shaky camerawork and ragged dialogue. "I get really turned on thinking about the thousands of guys out there wanking over me," says one busty bird named Phyllis who has a face that would turn milk to yogurt – and is obviously a bit of an optimist.

Next we have a spot of **Private Pleasure**, which is the sensual story of a woman torn between true love for the man she plans to marry and the desires she has for other men. In other words, should she be a housewife or a right little scrubber? Fortunately for the viewer our heroine comes down firmly on the side of the latter. In the opening scene, erotic Elizabeth (Elona Glen) tears her clothes off and jumps on top of the first male stranger who enters her apartment. "Gor blimey, love," says the lucky lad, "and to think I only came to read the meter!" In the end Elizabeth experiences true fulfilment, sticking her name down for a wild gang-bang in a plush country mansion where she screws more rich men than the Inland Revenue. This scene reminded me of a party game I used to have called "Twister", but it looks as though it's a lot more fun!

And finally we come to **Blue Angel**, a red hot remake of the old Marlene Dietrich classic about a sexy cabaret entertainer who ruins the life of a stuffy professor. The only thing that ruined the original for me was the fact that Marlene never got her

postcard from ANDREA

Hi guys! Now, the really observant ones among you might have noticed that my regular column doesn't appear in this month's Club. But before you start phoning up the poor old Ed and complaining, you might like to know he's given me a holiday!

I've been writing my column, reading your letters and living out your fantasies for almost two years now, without a break. And although it's been great fun – and pretty horny too – I have to say I am well and truly shagged! So the Ed said I could nip off for a secret holiday, well away from any cameras or typewriters, and settle down with a good book – and perhaps a good man, if one comes along.

In the Christmas issue, though, I've put together something special: a ten-page feature of all my very best photos, just to get you in the festive mood. So if you liked me as a nurse, or a traffic warden, or just as me in my favourite lingerie, look out for it! See you soon . . . – Andrea ♣

Christine

Photographs by Mike Stephens

Christine is the sort of work-mate you'd love to share your scaffolding with, but how, we wondered, does she cope with builders' power tools? "Obviously I'm not a proper construction worker but I did help on a building site one

summer to get some cash together. I could do everything from mixing cement to laying bricks," laughs Christine, pulling her cut-offs tightly into the crease of her bronzed bum, the pressure on her pussy making her squirm. "When I tried to use a hydraulic road drill they couldn't wipe the smile off my face

for a week! I even became very skilled at wolf whistling at passing guys. If a guy had a nice bottom and I really fancied him, I'd hang out from the scaffolding and flash my boobs, holding them out

et wt.

and rubbing my nipples. Mostly the guys just went red and scurried off up the road, but there were one or two exceptions . . ." ♣

GUNS 'N' ROSES

Are these guys really a bunch of mindless pisspots with marrows down their trousers? Or are they the future of (phew) Rock 'n' Roll? Or both? Pierre Perrone *ain't sure, but he knows they could do with a bath.*

Once upon a time, rock 'n' roll and youth rebellion went hand in hand. When Elvis Presley shook his hips, the White House got worried (and American TV cameras panned away from his pelvis). When The Rolling Stones swore, Buckingham Palace blushed. In 1977, the Sex Pistols and The Clash tried to revive the generation gap but a few years ago, it all changed, and pop became horribly respectable.

Still, not all rock 'n' roll musicians were willing to become altar boys. If you like your riffs dirty and your stars filthy, there's hope yet. With singles like *Paradise City* and *Sweet Child O' Mine* Guns 'n' Roses have put excess, bad behaviour and loud music back where it belongs – in the charts!

Meeting the five members of Guns 'n' Roses is like submitting yourself to a trial by fire. My initiation took place when the band had set up home in London for a few days. They'd already managed to transform their rented flat into the usual rock 'n' roll slum, and that was *before* the farting and burping contest between shots of Jack Daniel's. Spinal Tap had nothing on these guys . . .

Their publicist introduced me and I sat down to chew the fat with W. Axl Rose (alias Bill Bailey, vocals), Slash (guitar) and Izzy Stradlin (aka Jeff Isabelle, guitar), while Duff 'Rose' McKagan (bass) and Steven Adler (drums) sulked in a corner.

The bad boys of rock soon admitted they're used to these derelict places. "At first, we all shared this apartment in LA. No kitchen, no bathroom. When it got too much, I used to try and get picked up by a chick just so I could stay at her place," mumbles Slash, who stubbornly refuses to reveal his real name, though he finally admits he was born in England.

Having consumed a few too many bottles and dodgy drugs, Slash then confesses he sometimes has problems remembering how the group got started.

The others come to his rescue. Izzy's memory is a bit better: "I'm from Lafayette, Indiana. Axl was one of my pals. Real bad temper he had; still has. He was always getting into all sorts of trouble, usually for no real reason. In a small town, it's hard not to notice that kind of thing. When I moved to Los Angeles, he kinda followed."

Axl gives him a mean, dark look. "I'm not your fucking dog!" he growls. "I suppose I'm kind of a Jekyll and Hyde. Before, I used to fight all the time and would always end up in jail. Now, all I have to do is throw the TV set outta the hotel room window and I feel better," he enthuses, without noticing he's just revived one of the major clichés of rock 'n' roll life on the road.

Still, even if he does stare at you with his piercing eyes, Axl can stop playing the big bad wolf and turn on the charm like a true gentleman. As the interview concluded, he was to suddenly invite me into his bedroom (tidier than the rest of the place) to play me rough mixes of acoustic tracks that saw vinyl release on the *G 'n' R Lies* stop-gap mini album.

But let's get back to the genesis of the band. Slash wakes up: "I put an ad in an LA paper. Duff, who'd only just arrived from Seattle, got in touch. Izzy happened to notice a drawing of Aerosmith that I'd done, and he brought Axl along. Since we'd played in two different bands called LA Guns and Hollywood Rose, we put the names together and mixed them up. There you have it: Guns 'n' Roses!"

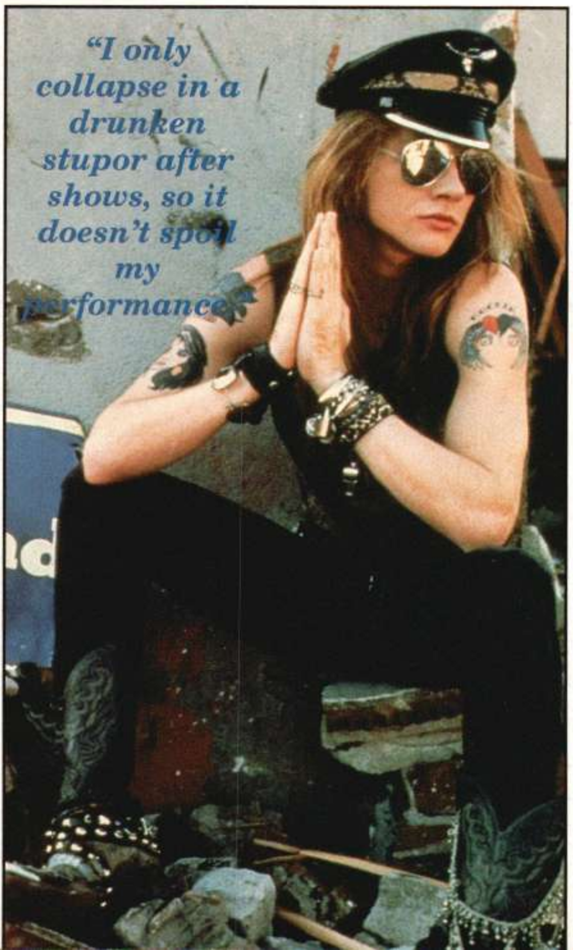
"I'm no male chauvinist but if groupies turn up after shows looking for respect, they're in for a surprise."

Back then, the group would only play the odd gig and then fall apart, mainly because half its members were dependent on drugs of various kinds. Slash confesses he very nearly packed it all in then. "I wasn't even playing guitar any more. I would only speak to Izzy, who was about as out of it as I was. Eventually, Duff called me up and made me realize I was about to lose the only thing that had ever mattered to me: the band."

The guitarist had been teetering on the edge of a precipice and had come very close to falling in. Now he stresses that the strength of Guns 'n' Roses is the fact that the five members of the group love the lifestyle and are always willing to take chances. "We've always reflected what goes on in Los Angeles. The city is like a bad joke. On one side, you've got rich people with bodyguards and fences around their houses. On the other, there are places you really don't want to go to, full of hustlers and dealers. There's even people starving while others don't know what to do with all their money. We live in the middle of all that so it's no wonder it's been an influence on all of us."

This seems to be a cue for me to ask the band what their influences are, so I do. They all seem to agree on Led Zeppelin, The Rolling Stones, and Aerosmith. "That's what gets us going," says Axl, who is also partial to a bit of George Michael, while Slash reluctantly admits that he sometimes listens to Frank Sinatra for relaxation.

However, what really matters there are The Rolling Stones and Aerosmith, if only because Aerosmith's Steven Tyler is often accused of being the poor man's Mick



"I only collapse in a drunken stupor after shows, so it doesn't spoil my performance"

Jagger, while most critics agree that Guns 'n' Roses are just taking off where the aforementioned two left things. In addition, Axl and co really broke the States when they opened for Aerosmith on a coast-to-coast trek.

Slash has fond memories of that tour. "They were obviously aware that we were gonna give it our all and that they'd have to be pretty good to stand up to the comparison and not to lose face. But they played square, not like INXS who put all sorts of spanners in the works so we wouldn't blow them off stage."

Another interesting contrast was the fact that Tyler and his cohorts had just given up booze and drugs, whereas Guns 'n' Roses are hardly on the wagon yet. Slash admits to being a near alcoholic. "I drink to come out of my shell. Still, I only collapse in a drunken stupor *after* shows so it doesn't spoil my performance," he adds rather proudly.

If you know your rock 'n' roll excesses well, you'll know that a crucial ingredient is missing to complete the wicked trilogy and the credo of debauchery according to Guns 'n' Roses. Not to worry, with randy guys like Slash and Izzy, you only need to whistle *Sex and Drugs and Rock 'n' Roll* and groupies fall in their laps. In fact, some hacks have gone as far as calling the group a bunch of male chauvinist pigs, especially because the original sleeve design for *Appetite For Destruction* – now relegated to the inner sleeve – depicted a girl about to be raped by a robot.

"In LA, the whole rock scene sleeps with the same chicks, so they know what to expect."

Slash takes exception to this: "This is getting on my tits! If you take a closer look, you'll see that the robot is about to be crushed by a giant hand hovering above. We liked the drawing, that's all. Since then, we've been accused of promoting rape. Because we look like trouble, the media really pillory us. I'm no male chauvinist but if groupies show up backstage looking for respect, they're in for a surprise. In LA, the whole rock scene sleeps with the same chicks, so they know what to expect."

But don't they worry about the extent to which certain fans are prepared to go to imitate their idols, sometimes with dreadful consequences? Axl pleads guilty: "Sure, we've become like public enemy number one, and as soon as something goes wrong it's our fault. But our wasted image is blown up out of all proportion. Most of the stories about us are made up. When we go out on stage, I am aware that sometimes we are playing with fire and that our fans are losing control of themselves and going a bit too far," he adds, probably because he's thinking about the two fans who died in the crush at last year's Castle Donington festival.

Slash downs another Jack Daniel's before giving me a conclusion that fits Guns 'n' Roses like a glove. "When you really think about it, rock 'n' roll is about having fun, and nothing else. It shouldn't try and convey any kind of message." Unless it's in a Jack Daniel's bottle, I think to myself . . . ♣

"That doesn't mean I don't want men to fancy me. That's why I enjoyed doing this nude session, because I love thinking of blokes getting excited just by looking at me. barbara

With a girl like Barbara, you can be sure that you'll get what you want – that is, if you give Barbara what she wants first.

"And what I want is a really good seeing-to!" the naughty brunette told us, after she'd given us a glimpse of all her charms. "I adore having sex. Apart from the fact that it's really good exercise – for all

parts of the body! – I just basically love the feeling of having an orgasm. I can really let myself go then. I don't care what I look like when I'm coming, I just let it all hang out.

"I hope all this isn't too rude for you, but I got so randy doing the shoot that I just had *to tell you about it. I hope it's got you feeling the same."*

NUTTER'S CORNER GOES... AAAAAARRGH!

During the recent strikes, people showed a great deal of ingenuity getting to work. But did they have as much bottle as this lot? We think not. As our great new Transport Minister Cecil Parkinson might say, "Bugger me! What a load of knobheads!" (Then again he might not.)

AIR ON A WEE STRING

This bunch are French, which explains a lot. They belong to the Lyon 'Hot Roc' club, and spend their time jumping from balloons with huge elastic bands tied around their ankles. Organizer Eric Beaudet says most do it for the fear-induced 'stress purge'. The same sort of purge induced by gobbling two pounds of ex-lax, we assume. The balloon hovers at 100 metres, and at full tension the elastic measures 80 metres... or that's the theory. One of these days they'll find out the nasty truth about elastic bands. They break. Happy jumping, Pierre!

JUMPIN' JACK SMASH

Legendary 'Flying Man' Ken Lesco here displays the technique which brought him fame and fortune. Ken is king of the glamorous sport of 'jumping over lots of cars for no reason' (to be included in the Olympics circa 2156). He used an 'air ram', a jumping board powered by a compressed air capsule, for the initial boost to take him ten metres over the mashed-up motors. Sadly, the poor boy bit the dust a metre short of the tape, thus missing the world record. What a dickhead.

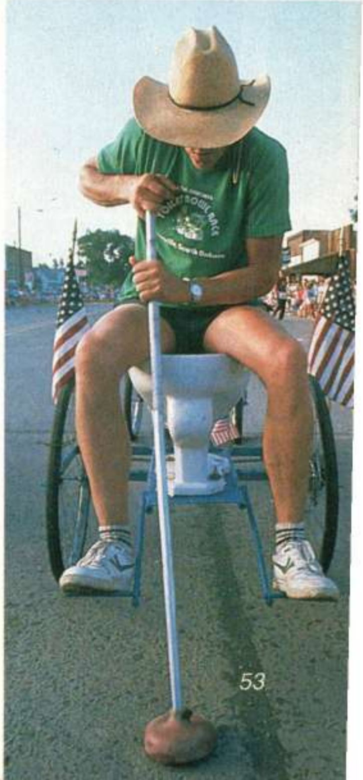
BOG TROTTERS

Getting to the bottom of modern transport issues, 3,000 people descended on Centerville, South Dakota this July for the seventh National Toilet Bowl Races. Competitors in this historic event use rubber plungers to propel themselves along Centerville's main street, the first lady and gentleman across the line claiming the prestigious title of Porcelain Podium King and Queen '89. They are then entitled to perch on the throne for an entire year, in public if they so desire. Competition was shit-hot, though no skid marks were reported. They bowled along *(That's enough crap puns - Ed.) (Oops - Ed.)*



vanessa

Photographs by Harry Linden

Vanessa is game for anything between the sheets as long as guys spend hours getting to know her tits. "My boobs are so sensitive that just one touch makes me wet between the legs," confesses Vanessa as she pulls down her polka dot top, revealing two gleaming breasts tipped with perfect candy-pink nipples.

"I love a guy to make circles around my tits with his tongue, feeling how smooth they are and watching me wriggle beneath him. Rubbing my boobs and rolling them in his hands is a sure way to make me come, but I like him to suck on my nipples to actually take me over the edge. It's such an intense feeling!" ♣

Women's Writes

Where the girls get down to business

UNDER HAND JOB

I always swore that I would never do the dirty on a friend and sleep with their boyfriend, but I've let myself down badly. The terrible thing is that I don't regret it one bit.

When I made that rule for myself I was thinking of one friend in particular. She'd been going out with her boyfriend for years when I met her, and I fancied him instantly, although I was careful to hide the fact. He was just my type - blond hair, big blue eyes, and the most luscious legs and bum that I'd ever seen. I could feel my knickers dampening as she introduced us, and from then on I knew I had to be careful. It didn't help that he flirted with me shamelessly either, and it became harder and harder for me to keep from fantasizing what he'd be like in bed, thinking of his long, thin cock shafting my pussy for all it was worth.

I didn't want to fuck him, because I was afraid my friend would find out, but when he made a move on me I couldn't resist him. I'd gone to stay with them for the weekend because they were having a party. Pat had gone to the cash and carry very early that morning to stock up on the food and drink, and I'd promised that I'd do all the cleaning at home. But first I'd promised myself a long, luxurious wank.

I made sure that the door of the spare room was shut as I knew that Keith was still in bed, and then I took off my nightie, feeling how hard and taut my boobs were already. I ran my hands over them, and as I started to rub my hands sensually over my body I imagined that they were Keith's hands caressing me, making my cunt wet and juicy as my fingers got closer to it. So that I could do things properly I knelt up on the bed, parting my legs slightly so that I could get both hands between them. I pushed two fingers from one hand into my cunt, making circular movements just inside my pussy walls and feeling how turned on I was as the juices ran on to my fingers. I worked my clitty with the heel of my other hand, pressing down on to it and feeling the ripples of orgasm beginning.

I was just getting into it when I heard a loud knock at the door, and without waiting for me to shout anything, Keith burst in. I was mortified! There I was, my hands on my cunt, just about to come, and Keith had caught me. I just knelt there panting, my cunt dripping, staring at Keith. And at the bulge that had appeared under his dressing gown.

Keith put down the tray he was carrying. "I thought you might like tea and toast," he grinned, "but I can see that you want something else instead."

Yes, a bloody good seeing-to, I thought, and leant over to him as he threw off his dressing gown and got on to the bed. His cock was as long and thin as I'd fantasized, and I needed it in my pussy. I pushed him on to his back and took charge of the situation, sinking my cunt down on to his hard-on so that I could feel it pushing right to the end of my cunt against my sticky pussy walls. He started humping from underneath, lifting up his hips so that our pubes were rustling together. I reached down to play with his flat nipples and told him to fondle my boobs roughly, just the way I like it. I was in heaven.

"Faster, you bastard!" I yelled, following that with a stream of the most dirty thoughts I'd had about him.

"I've wanted to fuck you for ages too, Janice," Keith panted. "I've always wanted to spunk in your cunt. And I'm about to now!" I felt him shooting his hot spunk into me, and his thrusting got more and more frenzied. I was frantically moving my cunt from side to side as well, feeling Keith shooting off inside me, and he played with my little clit to bring me to a huge orgasm.

"That was fantastic, Janice," Keith told me, "but I'm not finished yet. Pat won't be back for hours yet." And with that he eased his sticky cock out of me and slid down underneath me, till his mouth had reached my cunt. I trembled as I felt his tongue slide into me, licking up the cocktail of my juices and his own come. I'd never known a man do that before and it just turned me on even more. I turned round as he licked me out so that I could

get to his cock, which was hard again by now. As I licked it I could taste my own come. It was very erotic. Keith warned me, after a couple of minutes of very hard sucking on my part, that he was going to come in my mouth if I wasn't careful. "I want you to," I told him. "I want to swallow all your come, Keith." He was delighted, as I knew he would be because Pat had once confided to me that she hated the taste of spunk. When he came that time I gulped it down noisily, savouring its delicious taste. Keith could hardly believe his luck.

We showered together then, and when Pat cam back an hour later I was hoovering the lounge as if nothing had happened. Keith and I managed to slip away for a quickie in the middle of the party that night, and I'm ashamed to say that our affair has been going on ever since.

LITTLE BO PEEP SHOW

I've always got a real thrill out of watching guys get excited at the sight of my body, and my friends say that I should try to make my living as a model, where I could get paid for showing myself off. I'm a natural blonde with a very trim, shapely figure and large, firm 36-inch boobs that seem rather big for the rest of my body. Because I'm so fair skinned, I never get a suntan, and I've noticed that blokes really go for my soft, pale tits with their broad pink nipples. Despite my friends' advice though, I've never posed for nude photos, because I need to know that someone is watching before I start feeling horny myself. I get very hot and randy displaying myself to my boyfriend, and I know that when I start stroking my pussy, he just can't stop wanking himself over me. I just love the thought that my wet, lush pussy and my warm, fleshy tits are making him so hard that he's unable to keep his hand off his stiff, red cock until he's jerked his flood of spunk over my body. I usually come myself when I see him bursting at the seams for me, with an incredible look of sheer lust and excitement on his face.

This has always been part of the fun of sex for me, but it's always been done in the privacy of my own home, or my boyfriend's. However, a couple of months ago I was visiting a friend of mine in Paris. She knows all about the way I treat my men, and so made a point of introducing me to a friend of hers, Pauline, who worked part time in a peep-show. I was intrigued.

Pauline told me that it wasn't at all sordid, but clean and plush. The girls did their routine on a small circular stage that revolved very slowly, surrounded by a circle of little cubicles where the customers sat and watched the show. The idea of performing in front of all those guys immediately got me feeling randy - especially when Pauline invited me to go along and have a go.

I was very excited when I got there. First of all I watched Pauline and several of the other girls go through their routines on the stage. Pauline went on in red stockings and suspenders, with a red silk camisole top. I watched her sticking her lovely bottom towards the audience, and then sitting up and lifting off her top to play with her boobs. She did this for about five minutes before her place was taken by a beautiful girl with long black hair, clad only in thigh boots and long black gloves. I watched, getting more and more turned on all the time, especially when she ran her elegant gloved hand over her glistening cunt. By the time my turn came I was literally quivering with excitement.

I chose to put on fishnet stockings and a skimpy black, half-cup bra, which lifted up my tits, showing them off invitingly. As I stepped on to the stage I could already feel my pussy starting to leak juices. For a few moments I couldn't

CLUB ☐ VHS ☐ BETA (if you do not specify we will send VHS) really see much, but the girls had told me to make sure I showed off my charms straight towards the windows. As I began stroking and squeezing my boobs, I began to make out the faces of the guys in the cubicles. Immediately I felt my wet pussy starting to tingle, and I wasn't just rubbing it for the benefit of my audience. I really needed to get my fingers working that tingle into a more powerful throb. I thrust my splayed legs shamelessly towards the windows, running my fingers up my sopping slit and then licking off the juices. I fingered and squeezed my tender nipples and my breasts were streaked with my cunt juice.

I looked straight into the eyes of the men watching me then, and it thrilled me to know and see that they were all getting worked up over my body, which I was displaying for their pleasure. I winked and smiled at them, pouting and licking my lips. Although I couldn't see anything but their faces, I knew that every one of them had a handful of rock hard cock.

The thought of all those men tossing off over me made me tremble all over, and I didn't have to pretend I was coming. And as I watched I could easily tell when the guys were coming too. This just made me hotter than ever.

There was one really dishy guy of about 35 who still hadn't come by then though, and I paid special attention to him, thrusting my fingers right up my hole in front of him. Slowly his expression began to change, showing a look of agonised pleasure, and I knew he was ejaculating his cream into his hand. The thought of all that lovely spunk shooting for me sent me over the edge too, and I writhed in ecstasy in front of those men. I think they got far more than their money's worth!

Mind you, I think I'd enjoyed it more than they had, and I spent a few wonderful evenings there before returning home. I only wish there was somewhere for me at home like that, so that I could get my kicks here too. My pussy is still tingling now as I think of the way I made all those men spunk for me. - *Hazel, Warrington*

Confessions of a Centrefold

When gorgeous Jennifer appeared in the centrefold back in Vol 18 No 5, we knew she was a bit of a naughty girl - she spent the session telling us how she likes to have two guys in bed with her at once. But what the dirty blonde didn't tell us was that she likes women too...

After I appeared in the centrefold of Club, I had a lot of letters from blokes asking to be part of one of my threesomes - but I also had a sackful of letters from women, asking if I was interested in them too. What a question! I've been going to bed with women for the last couple of years now, and I love feeling another woman's boobs and pussy against my own.

I didn't think I'd ever get the chance to tell you about my sex life properly: I was only able to put a few words in to go with my centrefold. But when I read all those long letters I thought to myself, hey - if the readers can do that, then why can't I? So I asked the Club lads if they'd like to hear the full story of my sex life with girls. They were pretty eager, I can tell you!

I wanted to write about my first encounter with my current lover, Alex. I know you'll be interested in seeing the pictures we shot to recreate it for Club. Yes, that's Alex in the pictures with me, and I think you'll agree that she's well worth going to bed with.

Alex is a model like me, although she hasn't done so much nude modelling as I have, as she usually specialises more in fashion and glamour work. It was on a glamour shoot that I met her. My agent sent me down to a large country manor in Shropshire for the weekend, where there were five of us working with the photographer, modelling some rubber outfits and lingerie. When Alex walked into the room where we were changing, wearing a skin tight red rubber dress that showed off every luscious curve of her body and left nothing to my imagination, I took one look at her and knew that I wanted to fuck her.

All day we worked together, and I couldn't take my eyes off the way Alex posed her body. She seemed to be thrusting her tits

towards me for my benefit, and wiggling her taut bum in my direction. I certainly had hot panties that day, and by the end of the shoot all I could think of was getting into my bedroom in the house and having a good long wank.

In the bedroom I stripped off my clothes, and was down to my underwear, rubbing my hands slowly all over my body, making my skin come up in goose bumps as I felt myself all over. My nipples were hard and straining through the material of my bra, so I took it off and fondled them properly, running my fingers over the soft skin on their underside and squeezing them together. That really made my pussy tingle and I wished they were big enough for me to be able to lick the nipples, but instead I had to satisfy myself with pinching and tweaking them, making them stand out hard and throbbing from my chest.

Next I started to work on my pussy. I took my panties off, seeing that the crotch was soaked with my own juices, and ran my index finger slowly along my wet slit, really savouring the sensations that were going through my body. It felt like my cunt was on fire as I gradually slipped my finger further and further into me each time I found my hole, rubbing around all the sensitive little spots. I knew I had to go further, so I held my cunt wide open with my other hand and pushed two fingers into my pussy, working them in and out of my hole. It was such a great feeling, kneeling on the bed enjoying my body like that, that I just didn't hear the knock at the door. So when Alex walked in I was totally stunned.

Alex just stood there, wearing the same red dress that she'd looked so fuckable in earlier, staring at me on the bed, still with my stockings and suspenders on, my fingers in my cunt, and the tops of my stockings streaked with my juices. It was agony for me to kneel there too, because I was on the verge of coming.

Alex could see that too. "Don't let me interrupt you in your hour of need!" she grinned, walking right up to the bed, and sitting down next to me. I didn't need to be told twice and put my fingers back into my pussy. The room was totally quiet except for my little panting breaths and the squelching of my juices as I worked my fingers in and out. I could feel my orgasm building up, starting at the hot centre of my cunt and welling out all through me. As I came I panted faster and faster and ended on a real shriek before sinking back on to the bed with my fingers still in my pussy.

All this time Alex had just sat there watching me, and the only way that I could tell that she was turned on by the sight was that her boobs, tightly confined by her rubber dress, were heaving up and down and the nipples were sticking right through it. Without speaking she stood up and posed with her legs apart in front of me. "Undo my zip," she said.

I sat there for a moment before reaching forward and slowly pulling the zip down, revealing those gorgeous tits and what seemed like acres of smooth brown skin. She smelt lovely, as if she'd just had a bath, and I pressed my lips to her stomach and traced small circles with my tongue across it. I could feel her tense up with pleasure as I licked lower and lower.

She'd shaved her pubes

quite closely and I nuzzled my lips against them, at the same time bringing my hands up to rub at her pussy. I could feel how wet she was as she leaned right up close to me and started to rotate her hips to press her mound against my hand.

"Kiss my pussy," she whispered as I paused with my mouth just above the start of her slit. I bent down and started to lick at her pussy, smelling her love juices that were starting to dribble out of her cunt. That sent me a bit wild and I started to lick faster and probe deeper into her. Alex was gripping the back of my head as I tongue-fucked her, talking to me all the time.

"I wanted to feel you tonguing me all day," she said, squirming against the attentions of my tongue. "I kept imagining what it would feel like, having you kissing me all over and making me come. But this is even better than I'd imagined."

"I'm going to make you come now," I told her. "I'll give you an orgasm you'll never forget. I've been planning it all day."

With that I plunged my tongue right into her, feeling a rush of juices open my mouth as I delved as far as I possibly could into that hot cunt. Alex opened her legs wider than ever and covered my whole mouth with her pussy. It was the most fantastic feeling, almost as if I was right inside her. I could feel her orgasm coming, when her cunt started

trembling and contracting around my mouth, and then she flooded juices everywhere, shouting out loud as her climax hit her.

I needed to give my tongue a rest by then, but Alex wasn't finished. "Get on the bed," she said. "I want to taste that lovely pussy of yours." She put some pillows under my bum, running her hands all over my body as she did so, making me tingle all over with pleasure. I couldn't think of anything else but the idea that Alex was going to lick me out and that I'd been wanting it all day.

When her tongue hit my clit I moaned out loud, the feeling was so good. Alex had got right down there, and as she tongued me I could feel her nose nuzzling against my pubes. I leaned right back on the bed, arching my back and bringing my hands up to fondle my tits. My nipples had never been so hard and I thrashed my head from side to side on the huge bed as

Alex pushed her tongue deeper and deeper into my cunt.

I knew I was close to coming again so I urged Alex on. "Put your fingers in too," I gasped. "Really fill me up properly." Alex put her index fingers into my cunt, keeping her tongue flicking on my clit as she worked them round. And when she found my g-spot I went off like a rocket, screaming for her to finger me harder and faster to keep those orgasms coming.

I was wrecked by the time Alex finished with me, and couldn't move. I just lay back on the pillows, gasping for breath and waiting for the trembling and heat in my cunt to die down. Alex lay on the bed beside me, just stroking the length of my body, and just the feel of her touching me was enough to set me off again. But I was all hot and sticky after that, and I knew what I wanted most of all - a shower.

"Why don't we have one together?" Alex suggested when I told her what I wanted to do. "I know some great moves with soap!" So we walked into the en suite bathroom hand in hand, and I stripped off my underwear while Alex turned the shower on to a comfortably warm spray. When we stepped under it she immediately grabbed the soap and started rubbing it all over my wet body. It was much better than washing myself, I can tell you! Of course, her hands - and the soap - kept slipping between my legs, soaping up my cunt and just getting me turned on all over again. Eventually she ended up bringing me off with the soap, kneeling down under the shower spray as I stood above her and came again.

It was my turn to frig her off then, and I had to use all my imagination to equal what she'd done for me. Finally I grabbed the shower spray and ran the cold metal part of it all over her - and then we got *really* naughty and I ended up using it as a dildo on her! Alex was really writhing about on it as I filled up her pussy, and she came very strongly and noisily.

We dried each other off and went back into the bedroom then - but not to sleep. This time we ended up on the bed in the 69 position, with me working my fingers in and out of her sticky cunt and Alex running her tongue all over my love hole and really making me shiver as she gave

me head. We both came very intensely that time, and I looked up from licking her cunt to see the expression on her face as she came. It was great to see that she was definitely enjoying the sex as much as I was!

Since that day Alex has become my regular lover, and our sex life has even been improved by having a threesome with a girlfriend of Alex's. I'd like to tell you the whole story of how Alex, Petra and I first went to bed together, and how I felt when I felt two tongues on my pussy instead of just one, but telling you this story has got me so randy that I've just got to go off and play with myself. But let's just say that Petra is a luscious brunette with an insatiable appetite for sex! (I've been trying to persuade the Editor to do some photographs with all three of us - I know it would be very horny, because Petra really has the best arse you've ever seen. I just love to lick it!)

But I'll have to tell you about that another time. Maybe you can persuade the Ed to get those shots done - I'm sure they'd be worth it. Because you know what a dirty girl I am! - *Jennifer*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

I've never been the sort of person who's prudish, but until a couple of weeks ago I'd never taken part in what you'd call an orgy. Then some new neighbours moved in next door, and suddenly I was flung into the kind of swingers' scene that you usually only read about in the Sunday tabloids.

I first met my new neighbour Megan as she was hanging the washing out one morning. We exchanged pleasantries over the fence, and over the next couple of days she popped in for coffee a few times, and eventually I was invited round for dinner. That was when I met her husband Andy, and when I first suspected that they might be involved in wife swapping.

Andy was tall and dark, with a beard and the kind of muscles that I usually find a turn-off, but I didn't with him. He was extremely flirtatious too, telling me how attractive I was as we sat at the dinner table. "I've always liked women with big boobs, Susie," he told me. I thought it might be the drink talking as he ran his eyes suggestively over my body, but when I looked at Megan she was smiling and watching in approval as he eyed me up. I couldn't work it out. And when I left Megan said, "I can tell that Andy really likes you. That's good. Listen, we're having a party on Saturday, and I'd love it if you came along to it. We both would."

I was intrigued. I had no idea what to expect, but I was dying to find out. It took me ages to decide what to wear, but eventually I put on my most daring dress, which I'd only ever had the nerve to wear once before. It was white, and clung to every curve of my body, making my boobs look even bigger than they were, and showing off my firm, shapely bum. The thought of what was coming that night made me feel excited, and horny; my nipples darkened and strained under the thin white material and I rubbed the palm of my hand lightly over them. I felt my cunt getting moist, and thought, to hell with it! I took off my panties, watching my nipples grow even bigger in the mirror as I looked at myself, with my hot fanny clearly visible through the thin white material.

When I arrived there were about seven or eight other couples there, none of whom I'd met before, but once I'd got stuck into a few glasses of Asti Spumante I was really feeling in a party mood.I started eyeing up some of the guys there; they all seemed to be with partners but no-one was sticking with them. There were a couple who I really fancied, and I could feel my nipples growing again! They'd obviously been noticed by other people too, because soon I was surrounded by a crowd of admiring guys, all making it really obvious how much they fancied me. I was in my element.

The conversation was getting progressively dirtier too. Andy was one of the men who was chatting me up, asking me what I liked the most in bed. "I bet you're really horny underneath all that virginal white," he grinned at me.

"You bet I am!" I replied, my tongue loosened by the effects of the alcohol. "I haven't had a good fucking for months."

Just then Megan walked up to us. "We'll have to see what we can do about that then," she said. With that she leaned across to me and gently pushed her pussy mound against mine. The sensation of it against my bare flesh, only just covered by my thin dress, was incredible. She started kissing me then, softly at first but then harder as I got more into it. Our tongues licked around each

other's mouths and I felt her moving her hand up to one of my boobs, rubbing my straining nipple lightly.

Just then Andy butted in. "Don't be selfish, Megan," he said. "You know I've been dying to get to grips with Susie since last week." We decided to go upstairs, and it was very flattering to see the looks of envy on the others' faces as Megan and Andy each took one of my hands and led me upstairs.

In the bedroom Andy quickly stripped off, his cock springing out from his underpants as he pulled them off. It wasn't all that big, but it looked thick, a good handful, and I immediately bent down to take it in my mouth. Pursing my lips, I pushed down on to it hard, jerking the foreskin back so that I could feel the hot cock right against my teeth. I could feel it getting bigger and harder as I started to suck on it, settling down on my knees and gripping his arse cheeks so that I could cram all of that cock in.

As I knelt there I felt my cunt lips being pulled apart. Megan was kneeling on the floor behind me, running her fingers round the outer lips of my fanny, and then inserted two into me, making me squirm as she ran them over all my sensitive spots.

"Put your tongue in!" I yelled, taking Andy's cock out of my mouth and giving it a good old yank with both hands. I wasn't sure if he wanted me to do it that hard, but he obviously did as he started moving his hips to and fro, as if he were fucking my hands. Suddenly he came without warning: the eye of his prick just sent a couple of blobs of come spurting all over my hands as he groaned and grunted to orgasm.

I wanted to taste it so I rubbed it into my boobs, feeling the wet come on my hot nipples. Megan was still occupied with my cunt, licking it now, circling my clit with her tongue as she was still thrusting her fingers in and out. I knew I was going to come soon, but I also knew what I needed to finish me off.

"Suck my tits, Megan," I gasped. "Come and lick all Andy's spunk off me." Megan moved round to the front of me, taking one of my nipples between her teeth and

gently nibbling it, while running her tongue around my soft tit flesh, tasting her husband's spunk on it. Andy, meanwhile, had moved down to my fanny and taken up where Megan had left off, licking and probing at my love hole. With that I began to shudder and I felt myself coming. I really let go, screaming and shouting:

"Fucking hell, that's fantastic! Tongue me faster, Andy. Christ, I'm coming now!" Andy's tongue was going at 90 miles an hour on my twat, and I was dripping juices on his face. Megan was still sucking my tits, and the feeling of being satisfied by a man and a woman together was fantastic.

I needed a little time to recover after that, but I realised that Megan still hadn't come yet. I turned to Andy.

"Come on, Andy, your wife needs a good fucking." I couldn't believe I'd let myself go like this. Megan was lying on the floor, looking at me and fingering herself. But Andy had other ideas.

"I know some people who wouldn't miss this for anything," he grinned, and went out of the room. We could hear him going downstairs and soon the door opened and he came back in, accompanied by two of his friends. "This is Bob and Trevor," he told me. "I don't know if I could get enough spunk up now to satisfy Megan, she's so randy. But these guys are more than willing!" With that they both took off their trousers, and to my surprise they were both wearing g-strings, which moulded tightly to their packets, and showed that they were both pretty meaty.

"I hope some of that's coming my way," I said as they both started wanking their cocks slowly as they looked at me and Megan, horny and ready for action.

"That's the idea, Susie," Andy said. "They're both ready for a good fucking." I bent over, my arse towards them, parting my legs as wide as I could so that they could both see my cunt hole. Megan got off the bed and did the same, showing the guys her hairy slit. Andy groaned at the sight of the two of us randy girls just asking for a good screwing.

"Get in there, lads," he told his friends, and they didn't need to be told twice. As I knelt there I felt a thick, stiff cock pushing its way into my hot fanny. It seemed to go right to the end of my cunt, and I gasped as it withdrew almost all the way out before plunging back in again. Looking over my shoulder I could see that it was Trevor who was shafting me, a look of intense concentration on his face.

To my left Megan was getting a good screwing from Bob. His cock was one of the fattest I'd ever seen, and Megan was really yelling with pleasure as she felt the full force of it. And in front of us Andy was furiously wanking himself, tugging his foreskin up and down as his balls tightened.

"Come in my cunt!" I screamed, and a minute later I felt Trevor spraying his spunk inside me. That set Bob off, and I could tell that Megan was really enjoying having another man's come in her pussy. And to cap it all, Andy wanked himself to a climax and ended by spraying his come on our faces.

Since that night, I've been to quite a few of my new neighbours' parties, and I seem to be pretty popular amongst their male friends. I haven't had this much fun - or this much sex - for years!
- Susie, Carshalton ♣

You'd like my lifestyle. **I gave up working** for a living a long time ago. Nowadays I do exactly as I please with my time. Sometimes I spring out of bed bright and early in the morning, other times I treat myself to a lie-in. Either way, when I finally do get up there is no last minute panic to catch the bus or train to work, no traffic jam to sit in – I've done all that.

Instead I take a shower, have breakfast, read the paper and then decide what I want to do with another wonderful day.

I might play golf, go flying or just sit in the sun reading a book – **and that's on a busy day!** I spend about one day every week looking after my business interests (driving around in my brand-new **£30,000** BMW) and the rest of the time is mine to do with as I please. No boring nine to five job, no piddling little pay cheque, no boss telling me what to do – I've had that. Never again.

But it wasn't always like this. Eight years ago, before I discovered an **amazing secret** which I call The Midas Method, I was in real trouble.

Money problems

I was living in a one-room rented flat. It was so old that the windows wouldn't even open, but at least I wasn't alone. You're never alone with mice. Now I live in the most **exclusive area of town** with plenty of land around me for privacy.

I drove a scrap-yard on wheels – an old mini with gaping holes in the wings. It was so rusty that when it rained, it used to fill with water until I was driving along with my feet in a deep puddle!

Now I drive one of the **classiest cars available,** a brand-new BMW 735i. This is the car I WANT to drive. I could choose any car I wanted, or more than one. That's right! – even a Rolls Royce!

I worked for a big public Corporation which paid me almost nothing so at the end of each month I had slipped further into debt – know the feeling? Now I work for **one day a week** (just to keep my hand in). I make more money in that one day than I did in ONE MONTH of working for someone else – and I'll show you how you can do it too. Using The Midas Method, I have made **£1000 in ONE HOUR** and so have others. Whilst this is unusual, I can easily make £1000 in one day – and so could you. My step by step instructions tell you exactly how to do it.

I had an overdraft – £1000. Sounds pathetic now doesn't it? But I just couldn't seem to pay it off. I used to get those nasty letters from the bank, you know the sort I mean? Now I have tens of thousands in my accounts, the rest of my million is invested in property and shares. **The bank manager takes ME to lunch** – and he pays!

What is The Midas Method?

Until recently, The Midas Method was a **jealously guarded secret** known only to a select band of very rich and successful people. I discovered it quite by accident. I had always believed that you had to work really hard to make even a small amount of money, yet here was a little known method of making AS MUCH MONEY AS I WANTED which required only belief on my part. . . .belief enough to TRY the method. Furthermore, the method required NO CAPITAL, I wasn't expected to invest my life savings (not that I had any) or spend any more money.

I Was Desperate

It seems incredible, but I had known about The Midas Method for over a year **without doing a thing about it!** I just didn't believe that anything so simple could work, but I was so desperate that I decided to give it a try. The results were unbelievable! **I became a millionaire** in less than eight years using the secret of The Midas Method. I felt as though everything I touched had turned to gold! AND YOU COULD DO THIS AS WELL!

When you use The Midas Method YOU DECIDE how much money you want! That's right. . . . you just sit down and decide! And if you find at a later date that you need more, then fine! You can use The Midas Method over and over again as often as you wish to bring you **exactly the amount of money you desire.**

All I ask is that you TRY the method. What have you got to lose? Nothing! That's right! I'm so sure that the method works that I'll refund your money in full – no questions asked – if you return your copy of The Midas Method **for any reason whatsoever.** And that's a promise.

Here is a sample of the letters I have received from users of The Midas Method:-

"I can't thank you enough. For ten years I worked five days a week for a small salary, now I work for one day a week and the money is rolling in!"

C. P. Sheffield

"I hated my job. Thanks to you I now work exactly when I feel like it (or not at all if I don't want to). Guess what? I'm much richer now than when I was working ten times as hard".

L. K. Bridgwater

"When I heard about The Midas Method I must admit I was sceptical but I had nothing to lose. Within a few days of applying the method I had made three thousand pounds. Now I really do believe you."

Dr. J. S. Richmond

"I just want to confirm that, using the principles explained in your book, I have become a millionaire. Even now it is hard for me to believe, but I really do own more than a million pounds worth of assets, and I started from nothing. . . just like you said".

M. C. Slough

Why not take firm control of your life right now? Send for your copy of The Midas Method and **start getting the system to work** for YOU. I won't even cash your cheque until 30 days AFTER you have received the book; if you don't believe me, simply post-date your cheque for one month from today – that's how certain I am that you'll be delighted with this powerful system.

Remember, The Midas Method requires NO CAPITAL, works equally well for old or young and does not require any special intelligence, talents or abilities. ANYONE can use the Midas Method to greatly improve their lives. Are YOU willing to give it a try?

The biggest step is the first step. Clip the coupon and send it off **right now** and you will be on the way to achieving **everything** you ever wanted. You have nothing to lose not even the price of a stamp. . . but just think what you could gain!

Girls Have More Fun

My husband has been away now for over three weeks, but I've made sure that I'm kept entertained.

At first it was enough to Slide My Clothes Off (0836 405 551) in front of the mirror and imagine my Wandering Hands (0836 405 552) belonged to a Solid & Steamy (0836 405 553) stranger rubbing oil into my Glistening Thighs (0836 405 554), but I soon became Damp & Desperate (0836 405 555) for the real thing.

It was a week later that my Nympho Neighbour (0836 405 556) came round to complain about me Stripping By The Window (0836 405 557), as she didn't get a good enough view, so I let her Peel My Panties Down (0836 405 558) to let her get a close look at what she missed.

She didn't miss it this time though! I was soon Parted & Pouting (0836 405 559) as I felt her Expert Tongue (0836 405 560) get to work on my Warm Round Cheeks (0836 405 561) until I became Moist & Memorable (0836 405 562).

Since then she now pays me regular visits and leaves me Teased & Pleased (0836 405 563) every time. I just hope My Huband's Away (0836 405 550) more often!

PORN Princess

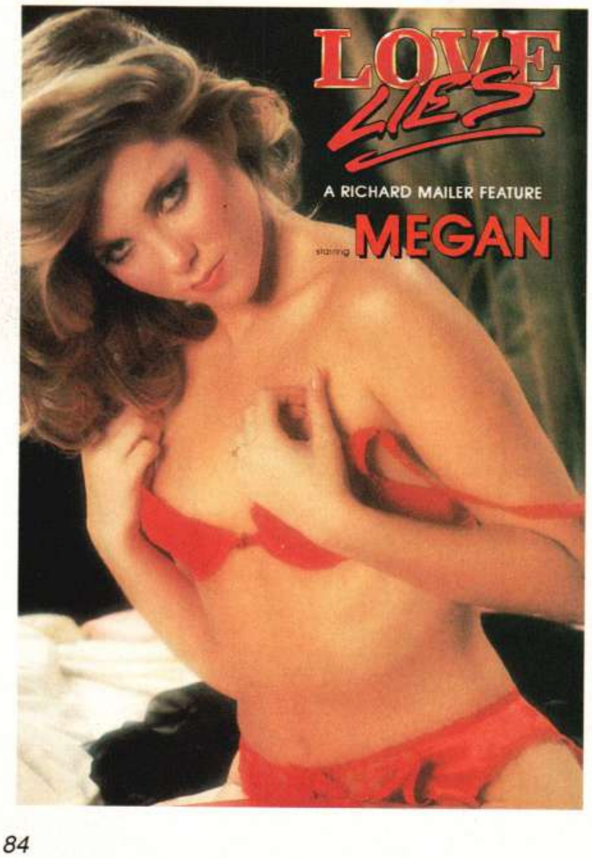
MEGAN LEIGH

"Yeah, I've got the reputation of being a great cocksucker," admits dirty blonde porn star Megan Leigh. "And so I should - because I am!"

Megan's yet another of those California girls who can't get enough sex: that was why she got into the adult film business in the first place. "I lost my virginity when I was 20, so I decided afterwards that I ought to make up for lost time. At that time in my life I just couldn't find enough guys to fuck, so I figured I had to do something drastic. What better way to get laid than to make porno movies? I especially love to have an audience when I'm getting screwed, and if they're getting off on what I'm doing, then all the better."

Raunchy Megan's between films at the moment -

Photographs by Larry Kramer



"I'm horny all the time!" - but with the success of releases like *California Native*, *The Sex Platoon*, *Tropical Lust*, *Love Lies* and *Outrageous Foreplay* she's become such a major star that she's even got her own fan club. And her final word? "I wish I could suck all your cocks, guys, but since that's not possible just get a load of one of my films instead. I know you'll love 'em!" ♣

"I make sure the guys never go short with me!" says 20-year-old Lancashire lass Sara, showing off those denim cut-offs. "I know they love to see my long smooth legs encased in all this tight denim, and when I bend over I know I'm driving them wild.

"That's something that really turns me on, knowing that guys are eyeing me up and would love nothing

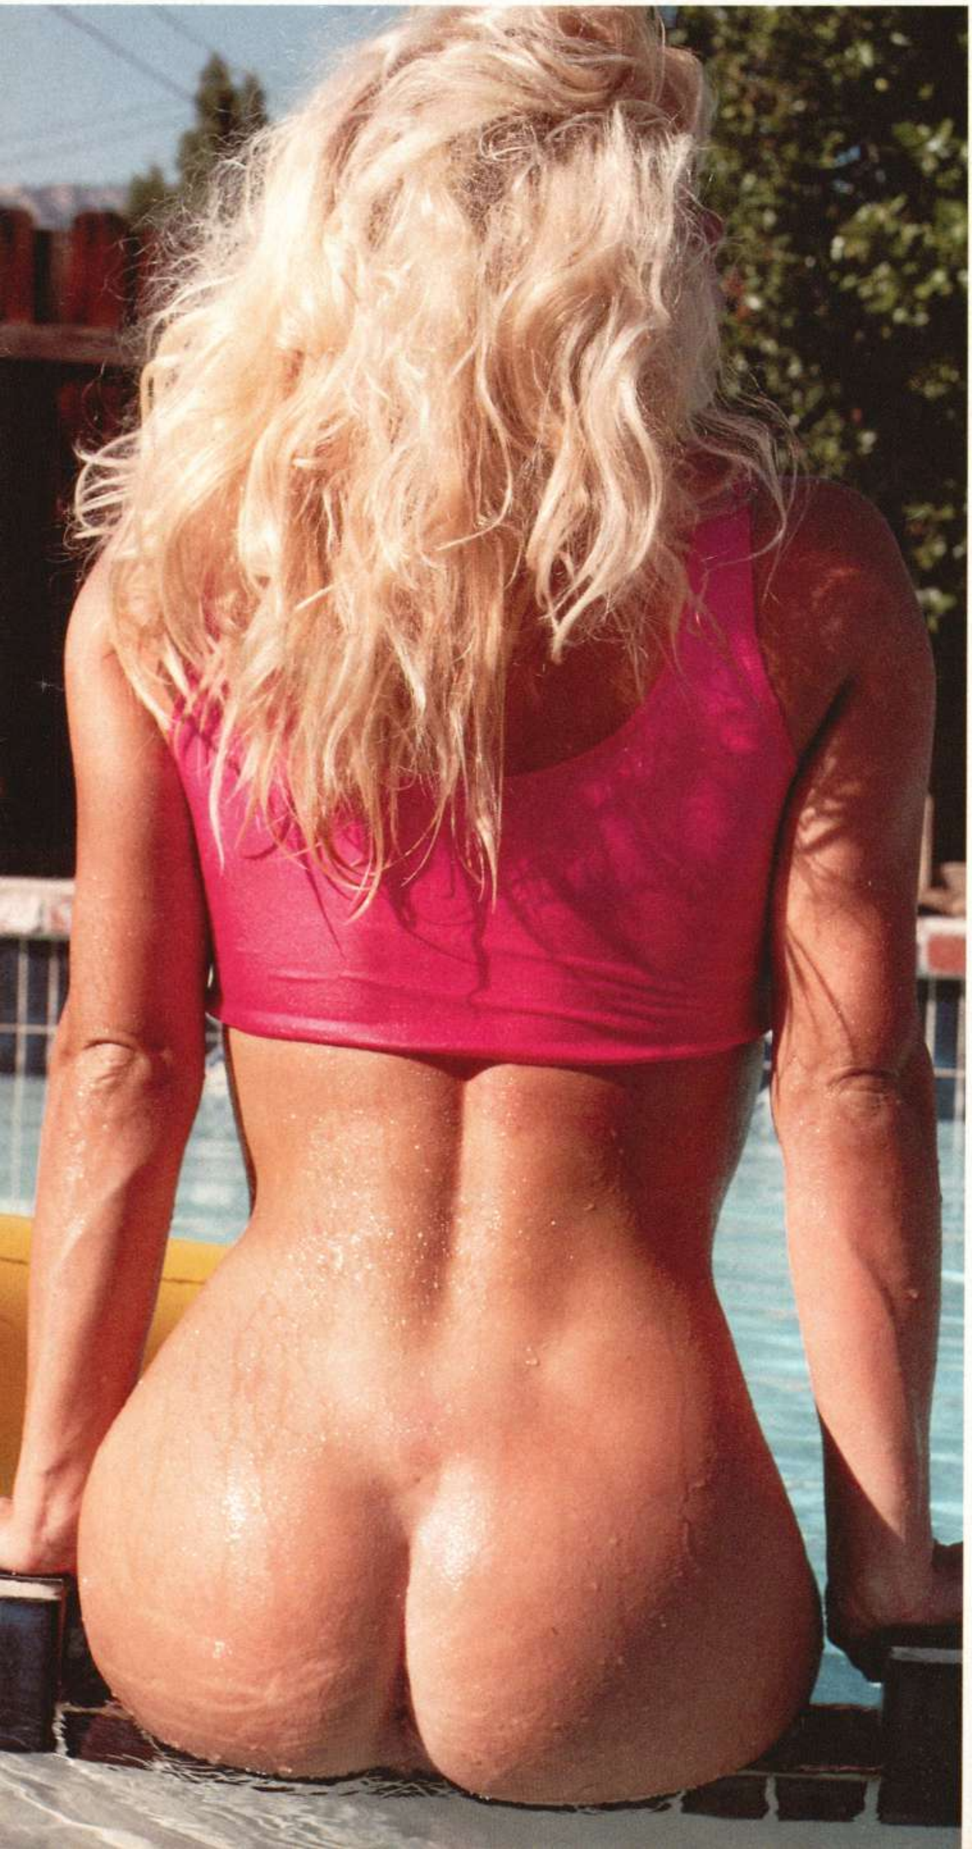
better than to get me into bed. That's why I cut my jeans off so short - that way I can show almost everything I've got, but at the



back for those special guys. "My last boyfriend loved me to keep my shorts on while we were in bed, so that he could shag me by just pulling the crotch aside. It used to send me crazy! He'd start off by rubbing me through the crotch of them, then (because I don't wear knickers under them) he'd get his hand inside and that would be it for me. People are always asking me how come my shorts got so worn and frayed, but I don't tell them - usually. I thought I'd tell you though." ♣

BLIMEY - THEY'RE TITS!

What a crap headline. I ask you. That's Bleach's idea of wit, you know. In fact, these rather delicious breasts belong to Lee, who appears in next month's issue. She's gorgeous in the flesh, actually. That's why I would have used a nice headline, like *Lee've it out* or *Seeing is BeLeeving*. Still, you can't have everything. Unless you buy the next issue, of course.

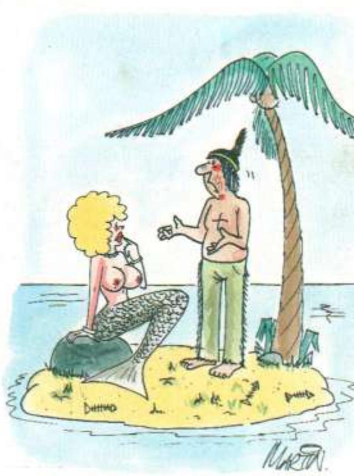
kiss and cuddle on the sofa when Linda said that she was a naughty girl and that she shouldn't be at my flat – and then declared that she deserved to be punished!

Before you could say spunk she was over my lap, those soft blue eyes looking up at me, telling me to spank her on her knickers. Well, not to lose the chance of a lifetime, I lifted her skirt up and gave her rump, which was protected by a pair of skimpy white virgin panties, a good smacking. Linda was soon wriggling about on my lap, demanding that I punish her bare bottom. I couldn't believe my luck.

I told the naughty Linda she must bend over the sofa for me to complete her punishment. She instantly obeyed. I was soon behind her, trousers and underpants round my ankles, rampant prick in hand, guiding it into her wet paradise, trying not to shoot my bolt too quickly. This wasn't fast enough for the lovely Linda, who was urging me to go faster. I was soon plugging her snatch at a rate of knots, my balls slapping against that crimson arse. Linda was yelling as I came, pulling my prick from her saturated twat. Soon I was emptying three years' worth of spunk over her reddened bum cheeks. Her bottom was running with spunk everywhere and her buttocks looked quite sore.

Still, a dab of cold cream worked miracles, and soon after massaging the cream into those cheeks we were at it again. Linda now tells me I'm the only guy for her; I suppose you could say I'm just a lucky bum. Mind you, I could do with a good night's sleep. – *Tony, Middlesex*



How?

Dear Janet,

I got so turned on by your lovely body in Vol 18 No 7 that I was shooting my come even before I could get my straining cock out of my pants. Needless to say, I started immediately on a nice slow wank over your fabulous tits and juicy pussy. What really got me creaming till my balls felt they were bursting, though, was the thought of you playing with yourself and getting off with all those toys that you talk about.

I could just see you lying spread out on your sofa with two fingers up your hot hole; and when that isn't enough, working yourself up with a vibrator.

I also got really hot over the pics of you on the telephone – I imagine that's another of your toys. I could just hear your husky, sexy voice telling me what you were doing to your pussy, and what it felt like. I can hear your panting, and the squelch of your pussy as you masturbate.

As you pant to your climax you tell me: "Let me have your come! Shoot it all over me!" And of course, I do.

I'm fantasizing that one day you'll ring me up when you're alone and feeling horny! Meanwhile I have your senstional pictures to keep me busy. – *Scott, Rotherham*

I love phone sex, and I often get my lovers to ring me up so that I can talk dirty to them. I love to imagine them stroking up their cocks for me, feeling them getting hard in their hands while they're talking to me. I'll bet you're doing that now, aren't you Scott?
–Janet

A POSITION OF MY OWN

Every month, a Club correspondent chooses the position that has given them most pleasure over the years. This month, Vinny Sprocket on the tail-waving attractions of the doggy position.

Back in the days of the primeval forest, when men were apes and women thought an orgasm was a waste of good eating time, there was only one position. After some courtship (a bit of leaf throwing and a nice gift, perhaps a pterodactyl testicle to keep her nick-nacks in) Mrs Chimp got down on all fours, stuck her big red arse in the air and yelled, "Arrra arrra arrra arooooooo!" This translates as, "My fanny's wetter than a dinosaur's bladder, so fill me with your meat, big boy!"

Personally, this is still the way I like things done.

Doggy style, from behind, rearguard action, back whack - call it what you will, this position is the only one for me. You can keep all your subtle stuff. When you're in the missionary position, what are you looking at? You're looking deep into her eyes, aren't you? Now that's all very well if you feel like making love, but it's hardly right for a fuck. When you're fucking you want a better view: her arse sticking in the air and wobbling like a jelly listening to Motorhead at 140 decibels, while your old man slams in and out like something made by Black and Decker. No contest, is there?

There's something animal about the doggy position, and not just because the local Rottweilers prefer it too. Any decent philosopher will tell you that man's biggest mistake in his two million years so far was standing on two legs. Apart from harming the footwear industry by halving the number of shoes we need, standing up on two legs has led to the female orgasm. It's all to do with evolution. Let me explain:

No female animals apart from the human have orgasms. Take goats. Your female goat just wanders around on all fours, and every so often a randy Billy jumps her from behind, slips it in and shoots in about five seconds flat. Then the female goat, who hasn't noticed much, wanders off. No orgasm, nothing. And this doesn't matter - not to evolution, anyway - because, due to the fanny in question being horizontal, the Billy's jism sits inside Mrs Billy for ages doing its work. Result: lots of little Billies and Nannies. Nature is happy.

Now when women started to walk around on two legs, this changed. Sure, they'd lie there while Chris the Caveman did his biz, but then straight after they'd jump up on their hind legs and start to fix the Brontosaurus steak for supper, leaving gravity to do its work. Chris's jizz ended up all over the prehistoric shag pile. Result: no little cavemen at all.

But nature, being an ingenious thing, thought up the solution: the female orgasm. Chris bonks away as per usual, but the Mrs gets a fanny-fluster into the bargain. This shags her out so much she forgets about supper, and instead lies there saying things like "You do love me really, don't you Chris?" and generally being a pain in the arse. However, those gallant little sperm do get a chance to tackle the big one. Result: no supper for Chris, but lots of little cavemen. Bingo.

Now, don't get me wrong. I've nothing against girls having orgasms *as such*. What's wrong is they always expect us to give them one. They should realise that our true role in life is to bonk bandy as many willing Wendies as possible, and to hell (or nature) with getting their bits to tingle.

This is the beauty of the doggy position: it doesn't make girls come. The clitoris being on the front side of the fanny (or so my scout mistress told me), it gets very little friction from a tool slapping in round the back. My own experience confirms this: it's very seldom a Sheila will come from back end bonking alone. If she really must have an orgasm, the girl will have to wank. And what could be nicer than that? Not only do you see her lips tightly hugging your hampton and her arse doing the watusi, but there are glimpses of her hand twirling her rude bits like a food mixer while she moans "Vinny! Vinny! Fuck me hard!" (If your name is Vinny, that is. In fact, if she says this and your name isn't Vinny, you've got problems.) Yum yum.

You'll find the girls love it too, in the end. (No pun intended.) They can feel the raw, animal lust of their deep natures calling to them, and before you know they'll be talking dirty, reaching for the baby oil and complaining you don't have two dicks to keep them occupied. It's the back door to happiness - slip in while you can.♣
